### LETTER/ESSAY

Along with this application, the applicant must prepare a letter or essay that describes her or his Brittany and the relationship they have with their dog. It should describe the activities that they are currently involved in with their Brittany and the care they provide to their Brittany including exercise, play, grooming, feeding, and health care. The applicant should also describe any sport that they are already involved in with their Brittany, if applicable.

The letter should describe the sport for which the assistance is needed. It also should specify what is needed for the applicant to pursue their goals in the sport including the dollar amount and to whom the payment is to be made.
